

QUEENSLAND LOCAL GOVERNMENT REFORM ALLIANCE INC

Putting local communities first

YOU ARE INVITED TO THE AGM and ANNUAL FORUM of the QLD LOCAL GOVERNMENT REFORM ALLIANCE INC.

We are a state-wide organisation representing grassroots groups concerned about local councils in Qld. Individuals and groups are most welcome to attend our forum.

Guest Speakers will include Cameron Murray, Lecturer in Economics at UQ speaking on “The Game of Mates: How favours bleed a nation”.

This forum is a great place to meet others, share ideas and plan for change.

Join our organization and regain control of our councils.
